

ANALELE UNIVERSITĂȚII DIN CRAIOVA SERIA FILOSOFIE

Description of the process of review

Authors may send their articles in Romanian, English, French, German, Italian, Spanish, on the address: Annals of the University of Craiova, Series Philosophy, 13 A. I. Cuza street, Craiova, Romania, 200585 postal code, or on the following email addresses: filosofie_craiova@yahoo.com, neacsuelvira2@gmail.com.

For the first issue, articles are received until March 31 and for the second issue, until October 30 of each year.

Articles must be accompanied by an abstract in English and a few keywords in English.

In order to receive the publication agreement, each article will be read by at least two specialists, without indicating the name of the author.

Materials submitted for publication are subject to a rigorous peer-review process by qualified and independent experts. They are subject to an initial selection within the Editorial Board, which retains only the materials of interest to the journal in terms of subject matter and scientific quality.

The selected materials are evaluated in a blind-review system by independent specialists. Reviewers can accept articles, reject them, recommend them for another journal, make constructive comments, recommendations, suggestions, and they can require consistent revisions.

If the authors do not make the required changes, the articles will not be published.
